

# PLATE COMPACTOR RÜTTELPLATTE 2500

## **PRODUCT DESCRIPTION**

The plate compactor designed in such a way possesses itself of high running speed and standard impacting density and simple operating-controlling method, is applicable to different environments.

The unique design configuration applied to the impact-excitation barrel (exciter) enhances the service life of the compactor effectively.

The ergonomic road wheels integrated with the framework simplifies operation.

The Honda engine gives powerful performance and reliability to the machine.

Foldable handle designed for easily transport and storage.

## SPECS

|  |  |
|--|--|
| BRAND                                  | KYO MACHINERY  |
| MODEL                                  | RÜTTELPLATTE 2500  |
| PRODUCT CODE                           | 08.00.01.004   |
| OPERATING WEIGHT                       | 136 kg   |
| SHIPPING WEIGHT                        | 141 kg   |
| PLATE WIDTH                            | 500 mm   |
| OVERALL DIMENSION (LxWxH)              | 850x500x600  |
| VIBRATION FREQUENCY                    | 85 Hz (5100/min)   |
| EXCITING FORCE                         | 25 kN  |
| SPEED                                  | 28-30 m/min  |
| ENGINE                                 | Honda GX200  |
| ENGINE TYPE                            | Air cooled 4-stroke OHV petrol engine, 25° inclined cylinder, horizontal shaft, cast iron sleeve |
| ENGINE DISPLACEMENT                    | 196 cm <sup>3</sup>  |
| NET POWER                              | 4.3 kW (5.8 HP)  |
| STARTING SYSTEM                        | Recoil Starter (electric start optional)   |
| FUEL                                   | petrol   |
| FUEL TANK CAPACITY                     | 3.1 l  |
| OIL TANK CAPACITY                      | 0.6 l  |
| WARRANTY AGAINST MANUFACTURING DEFECTS | 1 year   |
